- Award ceremony at Chennai Trade Centre, will be hosted in all grandeur, offering ample opportunity to network & socialise with fellow printers, business leaders as well as decision-makers from allied industries.

**GPEA '26,  
AIFMP & REENVISION EVENTS  
JOIN HANDS TO  
RECOGNISE EXCELLENCE**

Exceptional talent, superlative technologies and an ambition to make the world a playground is making many Indian print & packaging experts reach out for global avenues of name and fame. This is the very reason why AIFMP felt the need to create a global platform for its discerning printers; and initiated GPEA '26.

Established in 1953, the All India Federation of Master Printers (AIFMP) has always focused on opening up an array of vistas for printers across the nation. Today, it is the sole representative of 250,000 printing companies across India and is the world's largest printers' association.

The Federation draws its strength from various regional associations spread across the country. To bring forth newer opportunities for its community, it supports, participates in and organises a number of regional, national and international events, exhibitions, technical seminars, award ceremonies, student programs and more.
