The Only One Award
supported by the
Government of India

For decades, the All India Federation of Master Printers (AIFMP) has championed quality, innovation, and global competitiveness—celebrating the finest achievements that define India’s print brilliance.

NAEP '26 is organised by AIFMP in association with Reenvision Events Pvt. Ltd., a sister company of print-packaging.com and a leading professional conference and exhibition organiser. Reenvision has pioneered landmark trade shows such as Print - Pack, PAMEX, Bharat Print Expo, Bharat Pack Expo, Bharat Food Expo, and industry summits including Flexo Summit Asia and Digital Print Asia.

Together, AIFMP and Reenvision Events bring their combined legacy and execution excellence to present NAEP '26 at the Chennai Trade Centre, Chennai, India, continuing the proud tradition of recognising outstanding craftsmanship and innovation across all print technologies.

Supported by the Government of India, NAEP remains the nation’s most distinguished print award -honouring those who set benchmarks and shape the future of Indian printing.

REDEFINING STYLE STRENGTHENING SUBSTANCE

NAEP '26 - A Legacy Reimagined

For decades, the National Awards for Excellence in Printing (NAEP) has served as India's premier platform for honoring mastery within the print and packaging landscape. NAEP '26 marks a pivotal chapter in this journey, carrying our rich heritage forward with a renewed vision: "Celebrating Excellence with Change."

This year's awards bridges the gap between tradition and transformation by:

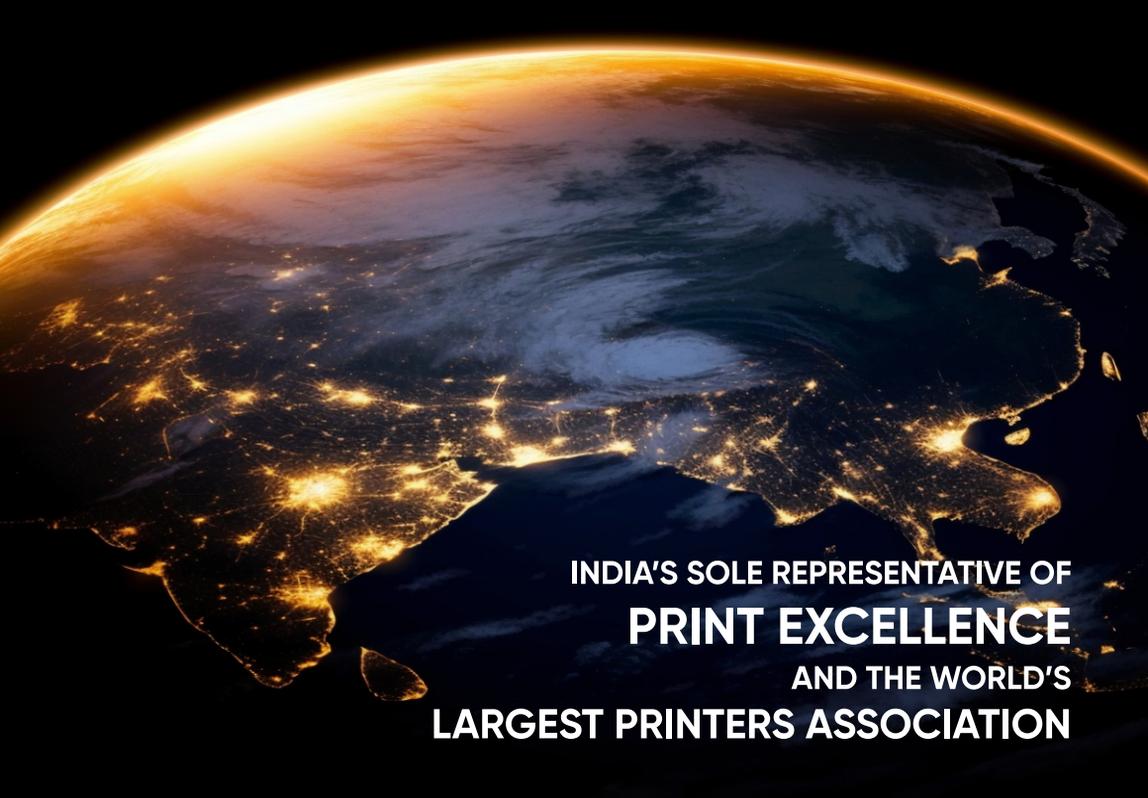

- Nurturing the Foundation: Respecting the mastery established by industry icons.
- Igniting the Future: Inviting Gen-Next innovators to redefine the printing landscape and lead our legacy into a new era.

The 2026 categories have been strategically curated to align with global industry shifts. We spotlight:

- Technological Advancement: Recognizing the precision of the modern press.
- Hybrid & Innovative Solutions: Honoring the industry's commitment to innovate and create.
- Creative Impact: Celebrating work that transforms print into a profound sensory experience.

**INDIA'S SOLE REPRESENTATIVE OF
PRINT EXCELLENCE
AND THE WORLD'S
LARGEST PRINTERS ASSOCIATION**

That's true. All India Federation of Master Printers (AIFMP) was established in 1953 with the objective of opening up an array of vistas for printers across the nation. Today, it is the sole representative of 250,000 printing companies across India and is the world's largest printers' association.

The Federation draws its strength from various regional associations spread across the country. To bring forth newer opportunities for its community, it supports, participates in and organises a number of regional, national and international events, exhibitions, technical seminars, award ceremonies, student programs and more.

NAEP '26 – CATEGORIES

CAPACITY CLASSIFICATION (CC) OF PARTICIPANTS

Applicable to Group: Sheet fed Offset

To facilitate fair competition, all entries submitted under the Sheetfed Offset category are further sub-divided into two competing entry groups viz. Small-Medium (CSM) and Large (CL). It has been done on the basis of number of printing units installed in the company of the participant. It is worked out in the following way, a single colour machine is ONE UNIT, a double colour machine is TWO UNITS, and four colour machine is FOUR UNITS and so on and so forth. A coating unit should be considered as ONE UNIT. The printer has to sum up all the units installed in his press to get the total units. This information is to be provided by the participant through the 'Entry Form'.
